12 Dodge agrees to limit pumping from the Upper
13 Eagle Creek Wellfield so that the combination of
14 water from the Black River facilities and water
15 pumped from the Upper Eagle Creek Wellfield does
16 not exceed 22,000 acre feet per year of delivered
17 water at the Phelps Dodge Lower Eagle Creek
18 Pump Station below the Reservation. In calculating
19 the pumping rates allowed under this subparagraph,
20 transmission losses from Black River and the Upper
21 Eagle Creek Wellfield shall be estimated, but in no
22 event shall such transmission losses be more than 10
23 percent of the Black River or Upper Eagle Creek
24 Wellfield water. Based on this agreement, the Tribe
25 shall not, in any way, impede, restrict, or sue Phelps

1 Dodge regarding the passage of water from the
2 Phelps Dodge Upper Eagle Creek Wellfield, except
3 that—

4 “(A) Phelps Dodge shall pay to the United
5 States, on behalf of the Tribe, \$5,000 per
6 month, with an annual CPI adjustment from
7 July 23, 1997, to account for the passage of
8 such flows; and

9 “(B) the Tribe and the United States re-
10 serve the right to challenge Phelps Dodge’s
11 claims regarding the pumping of groundwater
12 from the Upper Eagle Creek Wellfield, in ac-
13 cordance with paragraphs (2)(E) and (3)(F)
14 above. In the event that a court determines that
15 Phelps Dodge does not have the right to pump
16 the Upper Eagle Creek Wellfield, the Tribe will
17 no longer be subject to the restriction set forth
18 in this subparagraph regarding the passage of
19 water from the Wellfield through the Reserva-
20 tion. Nothing in this subsection shall affect the
21 rights, if any, that Phelps Dodge might claim
22 regarding the flow of water in the channel of
23 Eagle Creek in the absence of this subsection.

24 “(5) PAST CLAIMS.—The Act does not address
25 claims relating to Phelps Dodge’s prior occupancy

1 and operation of the Black River facilities. The
 2 Tribe agrees not to bring any such claims against
 3 the United States. The Tribe also agrees that within
 4 30 days after Phelps Dodge has vacated the Res-
 5 ervation, it shall dismiss with prejudice the suit that
 6 it has filed in Tribal Court against Phelps Dodge
 7 (The San Carlos Apache Tribe v. Phelps Dodge, et
 8 al., Case No. C-97-118), which such dismissal shall
 9 not be considered a decision on the merits, and any
 10 claims that it might assert against Phelps Dodge in
 11 connection with Phelps Dodge's prior occupancy and
 12 operation of the Black River facilities shall be
 13 brought exclusively in the United States district
 14 court.

15 “(6) RELATIONSHIP TO SETTLEMENT.—

16 “(A) The term ‘Agreement’, as defined by
 17 section 3703(2), shall not include Phelps
 18 Dodge.

19 “(B) Section 3706(j) and section 3705(f)
 20 shall be repealed and shall have no effect.

21 “(7) RATIFICATION OF SETTLEMENT.—The
 22 agreement between the San Carlos Apache Tribe,
 23 the Phelps Dodge Corporation, and the Secretary of
 24 the Interior, as set forth in this subsection, is hereby
 25 ratified and approved.”.

1 (g) TECHNICAL AMENDMENT.—Section 3702(a)(3) is
2 amended by striking “qualification” and inserting “quan-
3 tification”.

4 SEC. 5004. Paragraph (5) of section 104(c) of the
5 Marine Mammal Protection Act of 1972 (16 U.S.C.
6 1374(c)(5)) is amended as follows:

7 (1) In subparagraph (A), by striking “, includ-
8 ing polar bears taken but not imported prior to the
9 date of enactment of the Marine Mammal Protection
10 Act Amendments of 1994,”.

11 (2) By adding the following new subparagraph
12 at the end thereof:

13 “(D) The Secretary of the Interior shall, expedi-
14 tiously after the expiration of the applicable 30 day period
15 under subsection (d)(2), issue a permit for the importation
16 of polar bear parts (other than internal organs) from polar
17 bears taken in sport hunts in Canada before the date of
18 enactment of the Marine Mammal Protection Act Amend-
19 ments of 1994, to each applicant who submits, with the
20 permit application, proof that the polar bear was legally
21 harvested in Canada by the applicant. The Secretary shall
22 issue such permits without regard to the provisions of sub-
23 paragraphs (A) and (C)(ii) of this paragraph, subsection
24 (d)(3) of this section, and sections 101 and 102. This sub-

1 paragraph shall not apply to polar bear parts that were
2 imported before the effective date of this subparagraph.”.

3 SEC. 5005. (a) FINDINGS.—The Congress finds
4 that—

5 (1) section 2477 of the Revised Statutes (R.S.
6 2477) was repealed on October 21, 1976 by the
7 Federal Land Policy and Management Act (43
8 U.S.C. 1701 et seq.);

9 (2) the Federal Land Policy and Management
10 Act did not terminate valid rights of way established
11 under R.S. 2477 prior to its repeal;

12 (3) the Federal Land Policy and Management
13 Act included four provisions which explicitly pre-
14 served “valid existing rights” and made the actions
15 of the government “subject to valid existing rights”;

16 (4) after the repeal of R.S. 2477, disagreement
17 and confusion has surrounded the existence and ex-
18 tent of rights of way established under R.S. 2477;

19 (5) in 1994 the Secretary of the Interior pub-
20 lished proposed regulations for processing claims re-
21 garding R.S. 2477 rights of way;

22 (6) in 1995 and 1996 the Congress passed, and
23 the President enacted, three separate pieces of legis-
24 lation that prevented the Secretary of the Interior
25 from finalizing those regulations;

1 (7) the Omnibus Consolidated Appropriations
2 for Fiscal Year 1997 (Public Law 104–208) perma-
3 nently prohibited the promulgation of final rules or
4 regulations regarding the recognition, validity, or
5 management of R.S. 2477 rights of way unless such
6 regulations were specifically authorized by a subse-
7 quent Act of Congress;

8 (8) the position of the Clinton Administration
9 on this issue is reflected in the written policy state-
10 ment issued by the Secretary of the Interior in Jan-
11 uary 1997 regarding R.S. 2477;

12 (9) western State representatives strongly dis-
13 agree with the Administration’s policy guidance; and

14 (10) a process is needed to recommend expedi-
15 tiously a legislative mechanism to resolve all out-
16 standing R.S. 2477 claims.

17 (b) PROCESS.—

18 (1) ESTABLISHMENT OF COMMISSION.—

19 (A) There is established a commission to
20 be known as the Commission on Section 2477
21 of the Revised Statutes (hereinafter referred to
22 in this section as “the Commission”). The Com-
23 mission shall be composed of 13 members, as
24 follows:

1 (i) two officials from Federal land
2 management agencies, which shall be the
3 Secretary of the Interior and the Secretary
4 of Agriculture, or their designees;

5 (ii) six Members of Congress (or their
6 staff designee), of whom two shall be ap-
7 pointed by the Majority Leader of the Sen-
8 ate and one by the Minority Leader of the
9 Senate, and of whom two shall be ap-
10 pointed by the Speaker of the House of
11 Representatives and one by the Minority
12 Leader of the House of Representatives;

13 (iii) four State officials with land
14 management or transportation develop-
15 ment responsibilities, two of whom shall be
16 from affected western States with a Re-
17 publican Governor and two of whom shall
18 be from affected western States with a
19 Democratic Governor, with the four States
20 selected by mutual agreement between the
21 President, the Senate Majority Leader,
22 and the Speaker of the House; and

23 (iv) a chairman, who shall be a former
24 member of the Federal judiciary with expe-
25 rience in property and land management

1 law, to be selected by consensus (or failing
2 all reasonable attempts at consensus, ma-
3 jority vote) of the other 12 members of the
4 Commission.

5 (B) The Commission shall be appointed
6 within 90 days after the date of enactment of
7 this section. The Secretary of the Interior shall
8 provide any necessary support to the Commis-
9 sion.

10 (C) The chairman of the Commission shall
11 receive compensation at the daily rate of GS-
12 15, step 7 of the General Schedule, when en-
13 gaged in the actual performance of duties for
14 the Commission, and shall be reimbursed for
15 actual expenses in the performance of such du-
16 ties by the Secretary of the Interior. All other
17 members of the Commission shall be reim-
18 bursed and compensated as appropriate by their
19 respective employers and shall not be considered
20 Federal employees solely because of their activi-
21 ties on the Commission.

22 (D) The Commission shall conduct its first
23 meeting no later than 120 days after the date
24 of enactment of this section, at which time the
25 Commission shall select by consensus or major-

1 ity vote the chairman. The Secretary of the In-
2 terior shall recommend to Commission members
3 the names of at least three persons who meet
4 the requirements of subparagraph (A)(iv) for
5 consideration at the first meeting. Any other
6 member of the Commission may also rec-
7 ommend persons who meet the requirements of
8 subparagraph (A)(iv) for the consideration of
9 the members at the first meeting.

10 (2) DUTIES OF COMMISSION.—

11 (A) The Commission shall recommend
12 changes to law that should be enacted to pro-
13 vide for an expeditious resolution of all out-
14 standing claims of a right of way across Fed-
15 eral lands established pursuant to section 2477
16 of the Revised Statutes (43 U.S.C. 932).

17 (B) The Commission shall hold a public
18 hearing in each affected State upon the request
19 of the Governor of each such State, and shall
20 consult with the Governor of each affected
21 State in developing its recommendations. The
22 Commission may hold such other hearings as it
23 deems necessary. All hearings conducted by the
24 Commission shall be open to the public, and no-
25 tice of each hearing shall be provided in media

1 of general circulation within the State at least
2 14 days prior to each such hearing. The Sec-
3 retary of the Interior shall publish a public
4 record of each hearing.

5 (C) The Commission shall make its rec-
6 ommendations and all decisions by consensus,
7 or failing all reasonable attempts at consensus,
8 by majority vote. The Commission shall keep a
9 record of its discussions. The Commission may,
10 by majority vote, open its meetings to the pub-
11 lic. If the Commission does conduct public
12 meetings, it shall provide public notice of the
13 time and place at least seven days in advance
14 of each such meeting.

15 (D) The Commission shall submit its rec-
16 ommendations to the Secretary of the Interior
17 by March 1, 1998. Not later than 15 days prior
18 to this date, the Commission shall provide a
19 draft of its recommendations to the Governor of
20 each affected State, and shall include any let-
21 ters submitted by such Governors with respect
22 to such recommendations as an appendix to the
23 Commission's submission to the Secretary of
24 the Interior.

1 (3) REVIEW BY SECRETARY; SUBMISSION TO
2 CONGRESS.—The Secretary of the Interior shall re-
3 view and either approve or disapprove of the Com-
4 mission’s recommendations in their entirety by
5 March 31, 1998. If the Secretary of the Interior ap-
6 proves of the Commission’s recommendations, the
7 Secretary shall submit all of the Commission’s rec-
8 ommendations to the Committee on Energy and
9 Natural Resources of the Senate and the Committee
10 on Resources of the House of Representatives by
11 April 1, 1998. If the Secretary of the Interior dis-
12 approves of the Commission’s recommendations, the
13 Secretary shall state the reasons in writing for such
14 disapproval and send a copy of such reasons with
15 the Commission’s recommendations to the Congress.

16 (4) CONGRESSIONAL PROCEDURE.—

17 (A) INTRODUCTION.—The Chairman of the
18 Committee on Energy and Natural Resources of
19 the Senate and the Chairman of the Committee
20 on Resources of the House of Representatives
21 (or their designees) shall introduce the Commis-
22 sion’s recommendations as a bill in their respec-
23 tive Houses no later than 10 calendar days
24 after such recommendations are approved and
25 submitted by the Secretary of the Interior pur-

1 suant to paragraph (3). The provisions of this
2 paragraph hereinafter set forth shall not apply
3 to any bill containing the recommendations of
4 the Commission if the Secretary of the Interior
5 disapproves the Commission's recommendations
6 under paragraph (3).

7 (B) CONSIDERATION IN THE HOUSE.—

8 (i) Any committee of the House of
9 Representatives to which a bill introduced
10 pursuant to subsection (A) is referred shall
11 report it, with or without amendment and
12 with or without recommendation, not later
13 than 60 days of session after the date of
14 such referral. If any committee fails to re-
15 port the bill within that period, it is in
16 order to move that the House discharge
17 the committee from further consideration
18 of the bill. A motion to discharge the bill
19 may only be made by a member favoring
20 the bill (but only at a time or place des-
21 ignated by the Speaker in the legislative
22 schedule of the day after the calendar day
23 on which the member offering the motion
24 announces to the House his intention to do
25 so and the form of the motion). The mo-

1 tion is highly privileged. Debate thereon
2 shall be limited to not more than one hour,
3 the time to be divided in the House equally
4 between a proponent and opponent. The
5 previous question shall be considered as or-
6 dered on the motion to its adoption with-
7 out intervening motion. A motion to recon-
8 sider the vote by which the motion was
9 agreed to or disagreed to shall not be in
10 order.

11 (ii) After a bill introduced pursuant to
12 subparagraph (A) is reported or a commit-
13 tee has been discharged from further con-
14 sideration, it is in order to move that the
15 House resolve into the Committee of the
16 Whole House on the State of the Union for
17 consideration of the bill. If reported and
18 the report has been available for at least
19 one calendar day, all points of order
20 against the bill and against consideration
21 of the bill are waived. If discharged, all
22 points of order against the bill and against
23 consideration of the bill are waived. The
24 motion is highly privileged. A motion to re-
25 consider the vote by which the motion was

1 agreed to or disagreed to shall not be in
2 order. During consideration of the bill in
3 the Committee of the Whole, the first read-
4 ing of the bill shall be dispensed with. Gen-
5 eral debate shall proceed, shall be confined
6 to the bill, and shall not exceed four hours
7 equally divided and controlled by a pro-
8 ponent and opponent of the bill. The bill
9 shall be considered as read for amendment
10 under the five-minute rule. Only one mo-
11 tion to rise shall be in order, except if of-
12 fered by the manager. Consideration of the
13 bill for amendment shall not exceed four
14 hours excluding time for recorded votes
15 and quorum calls. At the conclusion of the
16 consideration of the bill for amendment,
17 the Committee shall rise and report the bill
18 to the House with such amendments as
19 may have been adopted. The previous
20 question shall be considered as ordered on
21 the bill and amendments thereto to final
22 passage without intervening motion. A mo-
23 tion to reconsider the vote on passage of
24 the bill shall not be in order.

1 (iii) Appeals from the decision of the
2 Chair regarding application of the rules of
3 the House of Representatives to the proce-
4 dure relating to a bill introduced pursuant
5 to subparagraph (A) shall be decided with-
6 out debate.

7 (iv) It shall not be in order to con-
8 sider under this subparagraph more than
9 one bill introduced pursuant to subpara-
10 graph (A) except for consideration of a
11 Senate bill introduced pursuant to sub-
12 paragraph (A).

13 (C) CONSIDERATION IN THE SENATE.—

14 (i) A bill introduced pursuant to sub-
15 paragraph (A) shall be referred to the ap-
16 propriate committee or committees. A com-
17 mittee to which the bill is referred shall re-
18 port the bill not later than 60 days of ses-
19 sion after such referral. If any committee
20 fails to report the bill within that period,
21 that committee shall be automatically dis-
22 charged from further consideration of the
23 bill and the bill shall be placed on the cal-
24 endar.

1 (ii) A motion to proceed to consider-
2 ation of a bill introduced pursuant to sub-
3 paragraph (A) and reported or automati-
4 cally discharged pursuant to subparagraph
5 (C)(i) shall not be debatable. It shall not
6 be in order to move to reconsider the vote
7 by which the motion to proceed was adopt-
8 ed or rejected, although subsequent mo-
9 tions to proceed may be made under this
10 clause.

11 (iii) After no more than 30 hours of
12 consideration of a bill introduced pursuant
13 to subparagraph (A), the Senate shall pro-
14 ceed, without intervening action or debate,
15 to vote on final disposition thereof to the
16 exclusion of all amendments not then
17 pending and to the exclusion of all mo-
18 tions, except a motion to reconsider or to
19 table. The time for debate on the bill shall
20 be equally divided between the Majority
21 Leader and the Minority Leader or their
22 designees.

23 (iv) Only relevant amendments to the
24 bill shall be in order. Debate on any
25 amendment shall be limited to one hour,

1 equally divided and controlled by the Sen-
 2 ator proposing the amendment and the
 3 majority manager, unless the majority
 4 manager is in favor of the amendment, in
 5 which case the minority manager shall be
 6 in control of the time in opposition.

7 (v) A motion to recommit a bill intro-
 8 duced pursuant to subparagraph (A) shall
 9 not be in order.

10 (vi) If the Senate receives a message
 11 from the House on a bill introduced pursu-
 12 ant to subparagraph (A), consideration in
 13 the Senate of all motions, amendments, or
 14 appeals necessary to dispose of such mes-
 15 sage shall be limited to four hours, equally
 16 divided in the usual form.

17 (D) EXERCISE OF RULEMAKING POW-
 18 ERS.—The provisions of this paragraph are en-
 19 acted by the Congress—

20 (i) as an exercise of the rulemaking
 21 power of the House of Representatives and
 22 the Senate, respectively, and as such they
 23 shall be considered as part of the rules of
 24 each House, respectively, or of that House
 25 to which they specifically apply, and such

rules shall supersede other rules only to
the extent they are inconsistent therewith;
and

(ii) with full recognition of the Constitutional right of either House to change such rules (so far as to relating to such House) at any time, in the same manner, and to the same extent as in the case of any other rule of such House.

(5) APPLICABILITY OF OTHER LAW.—

(A) NO EXPRESS AUTHORIZATION.—This section shall not be construed as an express authorization for any final rule or regulation under any law.

(B) FEDERAL ADVISORY COMMITTEE ACT.—The Federal Advisory Committee Act (5 U.S.C. App. 2) shall not apply to the Commission established by this section.
